**Become a CTP today!**

# Our Certified Training Partners (CTPs) and Members have gone to great lengths to advance the field of innovation worldwide.

Here are some of the things they've done in July and August 2024:

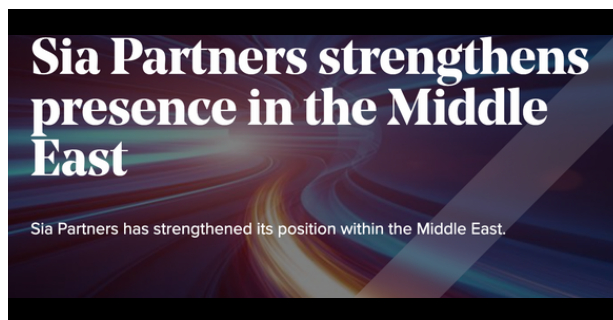

**Embiggen**  
(GIMI CTP in Philippines)

Embiggen successfully delivered another cohort of Level 1 Innovation Management certification, empowering a new group of professionals with essential innovation skills. Also, they secured a significant deal to conduct an Innovation Audit.

**IXL Colombia**  
(GIMI CTP in Colombia)

IXL Colombia has successfully launched a Level 1 cohort with 40 managers from Promigas, a leading company in the oil and gas industry. This marks a pivotal step in strengthening leadership and innovation capabilities.

**Sia Partners**  
(GIMI CTP in UAE)

Sia Partners recently undertook an audit of Innovation Management & Future Foresight for Ajman Police. This strategic initiative aimed to assess and enhance the police force's ability to anticipate future challenges and integrate innovative practices into their operations.

**TDM Internacional**  
(GIMI CTP in Mexico)

TDM Internacional has expanded its reach with a new cohort of the CIP (Certified Innovation Professional) program in Guatemala, now available through the New Business Alliance.

**IXL Brazil**  
(GIMI CTP in Brazil)

IXL Brazil organized the 20th Edition of the Innovation Ranking, titled "Campeãs da Inovação," showcasing consistent excellence in innovation across various industries

**Australian Innovation Management Institute**  
(GIMI CTP in Australia)

AIMI has initiated Innovation Potential Assessment (IPA) with a diverse group of 77 participants, including 50 from a government-owned energy company and 27 from the Department of Finance.
